Team Contract

Course: 431W

Team Members: Colton Giordano, Derek Avery

These are the terms of group conduct and cooperation that we agree on as a team.

Group Members' Behavioral Expectations
What do you need from each other to work effectively as a team? Examples: "communicating in a timely manner with each other", "being punctual", "meeting deadlines", etc. Each member needs to include at least one behavioral expectation.

Name	Behavioral Expectation	Example
Colton Giordano Derek Avery	Effective communication	All team members will communicate in an effective and responsive manner
Colton Giordano Derek Avery	Punctuality	All team members will complete work on time and come to meetings on time

Skill Strength Identification
Each member must choose at least one skill that you feel is your strength. Be very specific in what activity you will apply this skill to the assignment.

Name	Skill Strength	Specify Activity
Colton Giordano	Problem Solving	Debugging when coding
Derek Avery	Creativity	Schema planning

Participation: We agree to....
participate equally on the project and take on equal amounts of work when

necessary.

Communication: We agree to...
communicate in a timely and professional manner while also being available to

discuss project discissions.

Meetings: We agree to....
meet when necessary to meet project goals and deadlines.

Conduct: We agree to...
conduct in a respectful and professional manner throughout the project.

Conflict: We agree to...
discuss pros and cons and to remain level headed throughout.

Deadlines: We agree to...
work to meet deadlines, focusing on work when deadlines are close.

Progress and Assessment
Please fill out according to the assignment requirements. Be as specific as possible so that everyone is clear what is being completed and by when. Include Critical Review Dates

Project Tasks / Requirements	Who Is Completing This Activity / Task	Date to be Completed
